

SINGAPORE INTERNATIONAL AIRPORT
PAYA LEBAR, SINGAPORE.

S 7346

Hello SKYE -

Singapore Airlines is
a very good and busy
airline. They have
747, 727, 737, and
soon will have DC-10s

I work with the Singapore
airline people and they
are very nice. We have
had lots of rain but
today is beautiful. Love
you
